11656. I wish the TA would have helped me more with doing the problems. I appreciated the help in teasing out what to do and why, but when I would come to him I had already tried the problem and was stuck which is why I couldn't do the problem.

---

24022. i would have liked if we just completed more practice problems as a class instead of doing workshops which I feel are not entirely helpful.

---

40374. I do not think the workshops were all the that helpful
